ANNULAR CUTTERS

Euroboor annular cutters are designed for fast, precise hole-making in metal. With durable materials and sharp cutting edges, they reduce effort, save time, and deliver smooth, accurate results in every drilling application.

PRECISE
Accurate holes every time

DURABLE
Made from high-speed steel for long tool life

EFFICIENT
Faster cutting, less effort, maximum productivity

COST-SAVING
Save time and reduce operational costs

LONGER TOOL LIFE

SMOOTH PERFORMANCE

IMPROVED PRODUCTIVITY

IDEAL FOR METAL DRILLING
