EUROBOOR

FOR PROFESSIONALS BY PROFESSIONALS

TCT

ANNULAR CUTTERS

Euroboor annular cutters are designed for fast, precise hole-making in metal. With durable materials and sharp cutting edges, they reduce effort, save time, and deliver smooth, accurate results in every drilling application.

TCT

TUNGSTEN CARBIDE TIPPED

Maximum hardness.
Maximum performance.

PRECISE

Accurate holes every time

DURABLE

Built with high-quality TCT materials

EFFICIENT

Faster cutting, less effort, maximum productivity

LONGER TOOL LIFE

Engineered for extended performance and reliability

IMPROVED PRODUCTIVITY

IDEAL FOR METAL DRILLING

STRONGER & RELIABLE

SMOOTH PERFORMANCE
